

ELLWOOD

Specialty Metals USA

December 2023

ANNOUNCEMENT

Ellwood Specialty Steel Company has legally changed our name to **Ellwood Specialty Metals Company** effective **November 22, 2023**. This decision comes as part of our rebranding to recognize the significant investments made in our New Castle, PA facilities to expand our Aluminum product offerings.

The addition of the ELLWOOD Aluminum cast house within the ELLWOOD family of companies allows us to be a vertically integrated partner from cast to distribution for both steel and aluminum.

This is a name change only and does not impact any of our normal day-to-day business. All other things remain the same and we continue to operate under the same ownership, federal tax identification and location.

We will be updating our website and other marketing information with this new brand over the next few weeks.

We ask that you begin to use this name in all future transactions with our organization:

Ellwood Specialty Metals Company
499 Honeybee Lane
New Castle, PA 16105

Please reach out to your respective contacts with any questions.
